MEMBERSHIP

Are you a current member? Or maybe thinking of joining? If so, you may have wondered before, where do my membership dues go?

First, part of your dues go toward the basic budget of running a non-profit club. This can include but is not limited to website domain, PO Box fees, club stickers and banners, and other miscellaneous items.

We also utilize the funds for multiple charity organizations. This would be where most funds are dispersed. This year alone, we have donated \$250.00 to K9's for Camo, \$250.00 + to BCFO, and we just were lucky enough to write a donation to Big Brother and Big Sisters for \$770.00!!!!. On top of that, each year we allocate \$1000.00 to purchase gifts for children at Christmas.

Finally, each year, we coordinate a member only event such as a BBQ or trail day and we have a Christmas party where some of the funds are used for food or location.

If you have questions, please reach out to any of your board members for more information.
