

Ozarks JeepThing

Serving Springfield, Branson, and Surrounding Areas

It's A Jeep Thing... You Wouldn't Understand

We are a Not for Profit Organization designed to coordinate and support off-road events, to foster pride and friendship within the Jeep community, to preserve proper use of public lands, to actively participate in related programs such as Tread Lightly, and to offer volunteering efforts to other non-profit, charitable, and public/government organizations. This chapter was started to better serve the Branson/Springfield and surrounding areas. Memberships are open to any family or individual that owns a Jeep vehicle.

Recap of Events

Every year, the Jeepin for a Cure event gets bigger. The unofficial Jeep count was 550 and the unofficial count of funds raised was \$140k. There were countless stories about survivorship and recent diagnosis. Our community came out strong and we put on a show!!

November 2023

KROCKS

Krocks was held on 10/21. This year it was dry and we had 10 jeeps participate in the event. The group went to run the 2 new Badge of Honor trails and had a great time. Kevin made the group go down a very sketchy hill trail. Despite the trail, most made it out of the park without damage except for Zeke. He tagged a tree and dented his fender. . OUCH. After the park, the group went over to Buzz's BBQ for an early dinner and jeep talk. Be sure to periodically check our site and Facebook page for more future events!

Members Corner

OJT MEMBERS! Dont forget to check out the website to support our vendor of the month and receive discounted offers for being an OJT member! Access the site by clicking [HERE](#) and log in to your account. Once logged in click the Members Section tab and go to Membership discounts. You wont want to miss out on these awesome offers!!!

This month's vendor is embroidez.com

Jee-nius

Did you know that the first official Jeep models were actually designed by the American Bantam Car Company in Pennsylvania for military applications? The first Jeep prototype was delivered to a U.S. Army Camp in Baltimore in 1940, but the manufacturing was ultimately taken over by Willys-Overland. When the army put out an open call for bids to car manufacturers for developing a new military-grade vehicle, Willys-Overland easily won with the first ever Jeep "Wrangler" model.
