

Ozarks JeepThing

Serving Springfield, Branson, and Surrounding Areas

It's A Jeep Thing... You Wouldn't Understand

We are a Not for Profit Organization designed to coordinate and support off-road events, to foster pride and friendship within the Jeep community, to preserve proper use of public lands, to actively participate in related programs such as Tread Lightly, and to offer volunteering efforts to other non-profit, charitable, and public/government organizations. This chapter was started to better serve the Branson/Springfield and surrounding areas. Memberships are open to any family or individual that owns a Jeep vehicle.

Recap of Events

OJT members enjoyed dinner at Krab Kings during a pop up event. After dinner, the convoy made their way to Rita's for desert. It was the ultimate Jeep gathering with good food and great company!

Pythian Castle Ghost Tour

In a spine-tingling adventure, Ozarks Jeep Thing delved into the mysterious realms of the Pythian Castle on a ghost tour. Amidst dimly lit corridors and whispered tales of spectral inhabitants, we explored the castle's haunted history. With each creaking floorboard and shadowy corner, our adrenaline surged. Yet, amidst the eerie atmosphere, camaraderie prevailed, and our members bonded over shared thrills and chills, creating unforgettable memories to recount around future campfires.

When the jeep run ends at Zuzu's House, we will have Lots of FOOD, FUN, MUSIC and a silent auction. You won't want to miss out!!! So, get your Jeep filled up with gas and your heart full for giving to help and come and have a great day with us!

About Zuzu's House:

Zuzu's House was created with homeless girls in mind and wanting them to have a chance at a better life. Giving them an opportunity to have a warm meal, soft bed and a kind person to talk to. This maybe something they have longed to do but have not had the chance or it was suddenly taken away from them. While a teen girl is at Zuzu's House, she would have the opportunity to learn life skills for daily living, have assistance in searching and obtaining employment, as well as transportation to and from school or work. Zuzu's House is not meant to be a long-term plan for living; it is to be a place where they can feel safe and secure enough to begin trusting and finding a path to a stable future. We are here to help them along that journey.
